Assessment Schedule

At SMMIS we track student progress through a variety of assessment data: formative; summative; feedback for learning, as well as teacher observation. Students in the Primary School complete PIRA testing for Literacy three times per year. In the Secondary School all students complete end of year assessments. In Grade 10 students complete their iGCSE's.

Due to the sensitivity of the data, as this information includes students' details, parents can approach the Head of Primary or Secondary School for a personal sharing session on particular student assessments, performance outcomes and the school benchmarking report.
